# MANAGEMENT DISCUSSION AND ANALYSIS

## **Industry Overview**

FY 2017-2018 began in an uncertain environment with the economy coming to terms with the impact of demonetisation of Rs.500 and Rs.1,000 banknotes that came into effect on 8 November 2016. In the first quarter (April-June 2017), real GDP growth declined to 5.7% — the lowest in 12 successive quarters. The second quarter (July-September 2017) also saw disruption in economic activity on account of teething troubles that accompanied the nation-wide rollout of the Goods and Services Tax (GST). At 6.5%, while GDP growth in the second quarter was higher than the immediately previous one, it was nevertheless the third-lowest in 12 quarters. The third quarter, however, has shown a much needed uptick — posting 7.2% GDP growth.

With the sharp decline in surplus liquidity since October 2017, market interest rates have been hardening. Bank lending rates have started rising since February 2018. In January-March 2018, interest rate on the benchmark 10-year government security has seen significant volatility from a low of 7.17% to a high of 7.78%. Short term rates for commercial paper have also been volatile. Given a longer term expectation of rise in interest rates, these may have their consequential impact on growth.

FY 2018-2019, therefore, could be a challenging year. The positive is the general sense that India should see higher GDP growth, subject to normal monsoons. The RBI in its monetary policy report dated 5 April 2018 has projected a GDP growth of 7.4% for FY2019, possibly rising to 7.7% in FY 2019-2020.

# **Market Scenario**

NBFCs continued to grow their share in the financial services industry. Data published by the RBI in its Financial Stability Reports dated 30 June 2017 and 21 December 2017 show that the NBFCs have outperformed scheduled commercial banks (SCBs) on growth in advances, asset quality and profitability. This growth momentum of NBFCs should result in their share in the financial services sector increasing in the near future.

CHL enjoyed yet another strong year of performance aided by a diversified product mix, robust volume growth, prudent operating costs and effective risk management.

# Analysis of performance for the year

The detailed highlights of the performance are produced elsewhere in the Director's Report.

# **Opportunities and Threats**

As an NBFC, CHL is exposed to credit, liquidity and interest rate risk. It has continued to invest in talent, processes and emerging technologies for building advanced risk and underwriting capabilities. Sustained efforts to strengthen the risk framework and portfolio quality have yielded consistently better outcomes for the Company.

CHL identifies various operational risks inherent in its business model. The operational risks are risk of a loss resulting from inadequate or failed internal process, people and systems, or from external events.

CHL continues to evolve on a journey where analytics and technology are integral to business strategy. It uses analytics capabilities for making appropriate product offerings to customers, marketing campaign management, risk management and customer experience.

# Internal control system and their adequacy

The Company has an effective internal control system, commensurate with its size and nature to ensure smooth business operation, including assurance of recording all the transaction details, ensuring regulatory compliance and protecting the Company assets from any kind of loss or misuse. It evaluates the adequacy of all internal controls and processes, and ensures strict adherence to clearly laid down processes and procedures as well as to the prescribed regulatory and legal framework. The Company has further strengthened its internal audit function by investing in domain specialists to increase effectiveness of controls. The Audit Committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of the internal controls.

# Fulfilment of the RBI's norms and standards

CHL fulfils norms and standards laid down by the RBI relating to the recognition and provisioning of non-performing assets, capital adequacy, statutory liquidity ratio, etc.

# **Development in human resources**

The Company continues to lay emphasis on people, its most valuable resource. In an increasingly competitive market for human resources, it seriously focuses on attracting and retaining the right talent. It provides equal opportunity to employees to deliver results.

### Conclusion

Certain statements in the Management Discussion and Analysis describing the Company's objectives, predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward looking statements contained in this document due to various risks and uncertainties.

# Independent Auditor's Report

To
The Members of
CHITRAKUT HOLDINGS LIMITED

# Report on the Financial Statements

We have audited the accompanying Financial Statements of CHITRAKUT HOLDINGS LIMITED ("the Company") which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

# Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair

"Annexure B" to the Independent Auditor's Report of even date on the Financial Statements of CHITRAKUT HOLDINGS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CHITRAKUT HOLDINGS LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Branch Office: 47, NSB Road, Raniganj - 713 347, West Bengal

# VASUDEO & ASSOCIATES Chartered Accountants

# Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Reserve Bank of India, wherever applicable.

The financial statement has been prepared under the historical cost convention using accrual method of accounting

# B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting standards generally accepted in India requires judgments, estimates and assumptions to be made that affect the reported amounts of assets and liabilities and the disclosures relating to Contingent Assets and Contingent liabilities as on the date of the financial statements and the reported amount of Revenues and Expenses during reporting period. Management believes that the estimates used in the preparation of the Financial Statements are prudent and reasonable. Actual results could differ from those estimates.

# C. Fixed Assets

All Fixed Assets are stated at acquisition cost less accumulated depreciation.

# D. Depreciation

Depreciation on Fixed Assets has been provided on written down value method. Depreciation is provided on based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

### E. Investments

Investments are long term in nature and are stated at cost of acquisition. In the opinion of the management, the decline in the market value of investment is temporary in nature; hence no provision for diminution in the value of investments has been made.

#### F. Inventories

Shares and Securities purchased for trading purpose are shown as stock in shares and securities under the head Current Assets. Inventory is valued at cost or market price/break up value whichever is lower.

# G. Revenue Recognition

### Sales

Income from Sale of Shares is recognised on the date of transaction.

# Interest Income

Interest on Loan is recognised on a time proportion basis taking into account the outstanding

# H. Employee Benefits

Payment of Gratuity Act is not applicable to the company as numbers of employees are less than the minimum required for applicability of Gratuity Act.

# I. Taxation

Provision of Current tax is made with reference to taxable income computed for the accounting period for which the financial statements are prepared by applying the tax rate as applicable. The deferred tax charge is recognized using the enacted tax rate. Deferred tax Assets are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Deferred tax asset/liabilities are reviewed as at Balance sheet date based on the developments during the year and reassess assets/liabilities in terms of Accounting Standard – 22 issued by ICAI.

# J. Provision, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the notes to financial statements.
